

Florida Department of Health in Sarasota County

Children's Health Care

At the Florida Department of Health in Sarasota County (DOH-Sarasota), we know raising children is a tough job. Our team is here to support you by providing quality care at a cost you can afford.

- Affordable Sick & Well Medical Care
- Licensed & Board-Certified Doctors
- Locations in Sarasota & North Port
- Newborns to Age 17

Most Insurance & Clinic Cards are Accepted

We accept some private insurance and most Medicaid plans, including:

- Medipass
- Healthsease
- Staywell
- Amerigroup
- Healthy Kids

Children without insurance may qualify for a DOH-Sarasota Health Card. With a Health Card, how much you pay is based on your income. Visit

our website, www.sarasotahealth.org, for more details about eligibility for our services and how to get a Health Card.

Your Child's Health Care

Our team of doctors, nurses, and other staff works together to meet the needs of each child and family who visit us. We have a lab on site. Nurses are here each day to care for your child and to provide shots and parent education. Our nurses help you to care for your child. Our staff can help you get the resources and specialty care that your child may need. We have doctors and staff who speak Spanish (at all sites) and Russian (at the North Port Health Center).
