

Immunization Guidelines for Florida Schools, Child Care Facilities, and Family Day Care Homes

Effective March 2007

Available at State Distribution Center

The Bureau of Immunization is pleased to announce that the revised Immunization Guidelines for Florida Schools, Child Care Facilities, and Family Day Care Homes, effective March 2007 are now available at the State Distribution Center. Follow the simple steps below to order:

1. Non-Department of Health entities should print the attached Publication/Supply Supplemental Order Form (DH 1464, 7/06) and follow the instructions on the form.
2. The Immunization Guidelines is form number DH 150-615, 03/07 Stock Number 5730-615-0150-4. The guidelines are delivered in shrink wrapped packages of 5.
3. Indicate quantity.
4. Call the Distribution Center for applicable shipping charges at (850) 414-8086.
5. Include your check number (for shipping charges) with your order so that your shipment is not delayed.
6. Department of Health staff should follow internal procedures and contact the Distribution Center to order the guidelines.

A small quantity of the guidelines was shipped directly to all county health departments, all Bureau of Immunization Field Staff, the Department of Education (DOE), and Children's Medical Services. The Department of Children and Families (DCF) received guidelines for distribution to all licensed child care providers in Florida.

The revised Immunization Guidelines are also available online at:
