## **Mobile health services offered at 15 county sites and two back-to-school events in August**

The Sarasota County Health Department's Health In Motion Mobile Medical Unit staff will travel to 15 sites and participate in two back-to-school events in Sarasota County during August.

Regular services include diabetes education and screening, blood pressure tests, pregnancy testing, HIV and tuberculosis testing, adult immunizations and health education. The staff also assists in finding a medical home for ongoing health care services for anyone who lacks medical insurance and does not have a health care provider.

In addition to the regular services, children's immunizations will be available on Wednesday, Aug. 4 and 25, from 9:30 a.m.-noon at the Grande Court Apartments at North Port, 5203 Greenwood Ave., North Port.

The mobile unit staff will provide height/weight and body mass index (BMI) screening, blood pressure and blood sugar checks, and HIV testing at the Ready, Set, Grow! Infant to Kindergarten Family Fair on Saturday, Aug. 7, from 11 a.m.-3 p.m. at the Westfield Sarasota Square Mall at U.S. 41 (S. Tamiami Trail) and Beneva Road, Sarasota.

Staff also will participate in the North Port Back-to-School Resource Fair on Saturday, Aug. 14, from 9 a.m.-12:30 p.m. at Heron Creek Middle School, 6501 West Price Boulevard, North Port. Vision screening, height/weight and blood pressure checks will be available at that location.

No appointment is needed. Some services are free, including HIV rapid testing with results in 20 minutes. Other services offered at other locations are on a sliding fee scale based on income. Licensed volunteer physicians from the Senior Friendship Centers provide basic medical care when the mobile medical unit is at the Salvation Army in Sarasota. A registered nurse is available at all sites.

The following is a schedule of dates and locations for the mobile unit:
