## **Mobile health services temporarily suspended in Sarasota County**

The Florida Department of Health in Sarasota County is continuing with its transition to electronic medical records in all its clinics. This requires involvement from all nurses and other staff members, necessitating a temporary suspension of Health In Motion Mobile Unit services through the end of May. Health officials will continue to keep the public informed of changes to the schedule.

For information about Health In Motion services, contact the Sarasota County Call Center at 941-861-5000 (TTY: 711 or 1-800-955-8771), or visit [www.sarasotahealth.org](http://www.sarasotahealth.org) to view the calendar. Anyone without computer access can visit a health kiosk at any Sarasota County public library or Senior Friendship Center.
