Connecting families to community services event to be held July 21 in Venice

A free "Community Connection Day" event with a focus on families and children will be held on Saturday, July 21, from 10 a.m.-noon at the Venice Public Library, 300 S. Nokomis Ave., Venice. This family edition of "Community Connection Day" is designed to help parents and children develop a stronger sense of community in Venice. There will be door prizes and refreshments.

"This is the third 'Community Connection Day' in Venice," said Paula Carney, the event planning chair. "Families with children of all ages are encouraged to take time to learn about our community's assets. We will have representatives from all sectors of our community. Plus, there will be Zumba fitness demonstrations, free chair massages and frozen yogurt as part of the refreshments."

Event organizers say that free space is available to representatives from local businesses and nonprofit, education, arts and culture, government, faith-based, civic and health care organizations that have information to share with local families.

This event is sponsored by the Laurel/Osprey/Venice/Nokomis Community Health Action Team (LOVN CHAT), the city of Venice, Venice Public Library and the Venice Area Chamber of Commerce.

For more information about this event or to reserve a table, call Diane Ramseyer at 941-650-4856, or visit the website at www.chip4health.org.
