## Sarasota County cleans south county beaches

Sarasota County maintenance crews are scheduled to remove dead fish from Blind Pass Beach, 6725 Manasota Key Road, Manasota Key today and Manasota Beach, 8570 Manasota Key Road, Manasota Key, on Friday. The fish began washing up on shore on Wednesday. County health officials suspect a large red tide bloom located in the gulf off of Charlotte County is the cause.

Staff from the Sarasota County Health Department, Parks and Recreation, Operations and Maintenance and Lifeguard Operations continue to monitor beach conditions and respond appropriately.

For the latest conditions at all Sarasota County beaches [www.mote.org/beaches](http://www.mote.org/beaches) or call 941-BEACHES and press 1 for Sarasota County.
