

Children's Health Centers

- Affordable Sick & Well Medical Care
- Licensed & Board-Certified Doctors
- Sarasota, Venice & North Port
- Newborns to Age 18

At the Children's Health Centers, we know raising children is a tough job. Our team of doctors, nurses and office staff are here to support you and your family by providing quality care at a cost you can afford.

Most Insurance & Clinic Cards Accepted

We accept some private insurance and most Medicaid plans, including:

The Sarasota County Health Department has three Children's Health Centers - one in Sarasota, Venice and North Port.

- Medipass
- Healthease
- Staywell
- Amerigroup
- Healthy Kids

Children without insurance may qualify for a Sarasota County Health Department Clinic Card. With a Clinic Card, how much you pay is based on your income.

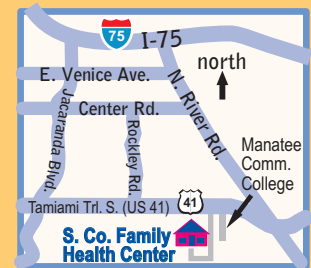

Your Child's Healthcare

Our team of doctors, nurses and other staff work together to meet the needs of each child and family who visits us. We have a lab on site. Nurses are here each day to care for your child, to provide shots and parent education. Our nurses help you to care for your child. Our staff can help you get the resources and specialty care that your child may need. We have doctors and staff who speak Spanish. Russian translators are available at our North Port Center.
